About VCE

Empowering Virginia — At No Cost to Taxpayers

Virginia Correctional Enterprises runs as a self-sustaining program under the Virginia Department of Corrections, delivering high-quality goods and services while receiving no state funding. Every dollar spent with VCE goes right into bolstering operations, workforce development, and community impact.

Our Mission & Impact

For over 85 years, VCE has transformed lives and strengthened communities by:

- Providing incarcerated individuals with job skills, work ethic, and credentials to succeed
- post-release.
- Supporting Virginia's economy through wages, local procurement, and reduced incarceration costs.
- Helping to maintain one of the lowest recidivism rates in the nation, thanks to proven training programs.

Through this mission, VCE bridges two critical goals: fulfilling procurement needs for Virginia's public and nonprofit institutions and giving returning citizens a practical path to stability and employment.

Customer Benefits: Why Virginia Agencies & Institutions Partner with VCE

When you choose VCE, you don't just get a vendor, you gain a strategic partner with built-in advantages:

- Streamlined procurement — No need to navigate additional bidding processes.
- Full-service delivery — From design to installation, we manage every step.
- No SWaM penalty — Purchases from VCE *do not count against* agency SWaM goals.
- Assured quality — All products are built to industry standards and certifications.
- Positive social impact — Every dollar supports recidivism reduction and workforce development.

Who We Serve

VCE may sell to:

- Virginia state agencies, departments, and authorities
- Virginia universities, colleges, and community colleges
- Virginia K–12 public school systems
- Virginia municipalities, counties, and first-responder agencies
- Virginia state hospitals, museums, and non-profit organizations

From banners and signage to manuals, forms, and letterhead, VCE's printing services offer high-quality, cost-effective solutions tailored to your needs.

RACA – Ricoh Auto Color Adjuster

VCE uses Ricoh's automated color technology to keep your printed materials consistent from job to job and device to device. This system quickly reads color charts and builds accurate profiles, helping ensure your brochures, reports, signage, and branded materials match your expected colors every time. It reduces waste, prevents reruns, and keeps projects on schedule—so you get reliable, professional results with every order.

Ricoh Pro C7500P – 5-Color Production Press

For projects that call for standout creativity, VCE's five-color production press adds specialty effects such as gold, silver, neon accents, clear toner, white, and even invisible red. Combined with rich CMYK color, high-resolution output, and the ability to print on a wide range of media—including oversized sheets—your mailers, certificates, posters, and promotional pieces can achieve vibrant, premium-quality finishes. Automated controls help us deliver consistently sharp results, fast.

Ricoh Pro C9500P – High-Volume Book Production

When you need polished, professional books, manuals, or training materials, VCE's high-volume production line is built for speed and precision. It supports heavy and oversized paper stocks and maintains excellent image alignment front to back. Paired with our inline bookmaker, we can produce saddle-stitched or square-spine books—up to 200 pages—in a single efficient run, ideal for statewide programs, academic materials, and agency publications.

Eclipse Digital Die Cutter

For custom shapes and specialty finishing, our digital die cutter produces exact cuts without the cost or delay of traditional dies. From decals and stickers to tags, labels, and prototype packaging, it handles intricate shapes and thicker materials with consistent accuracy. This enables fast turnaround for unique or short-run projects where precision and creativity matter.

Together, these solutions allow VCE to deliver high-quality, consistent, and creatively flexible print services to Virginia's state agencies and higher education institutions—minimizing waste, meeting tight deadlines, and helping your materials stand out. Let us bring efficiency, accuracy, and exceptional craftsmanship to your next print project.

Calendars & Planners

Stay organized and say goodbye to overbooking with monthly planners and calendars that keep your entire schedule in clear view. With clear at-a-glance layouts, you'll always know what's ahead—whether you're planning days, weeks, or months out.

Your schedule simplified and at your fingertips. Ready when you are.

Make your message stand out with signs, banners and posters designed to work as hard as you do. Whether you're guiding visitors, promoting an event, or giving your space a fresh, clear look, our custom signage delivers dependable quality with a clean, professional finish.

From vibrant banners & posters to durable indoor and outdoor signs, each piece is crafted to communicate your message confidently and clearly. Easy to order, built to last, and ready to help you get noticed.

Your space. Your message. Your sign—made simple.

Manuals, Logbooks, Forms, Envelopes and Letterheads

Keep your organization running smoothly with printed essentials that work as hard as you do. From manuals and logbooks to forms, envelopes, and letterheads, we create reliable materials that keep information flowing and your organization looking sharp.

Have a project in mind? Let VCE bring it to life. From concept to finished product, we provide professional printing solutions that inform, engage, and make an impact.

Whether you need brochures, manuals, binders, calendars, planners, business cards, flyers, books, or specialty printed materials, VCE offers digital and offset printing along with expert finishing services, including binding, laminating, die cutting, booklet making, and more.

Powered by New Technology. Designed for Greater Possibilities. Our advanced Ricoh production presses produce eye-catching specialty effects, including white, gold, silver, neon pink, and neon yellow inks. Combined with precision finishing and color management, we deliver exceptional quality and fast turnaround times.

Need help bringing your vision to life? Our experienced in-house graphic designer (formerly of the Library of Virginia) can assist with layout, formatting, and creative development to ensure professional results from start to finish.

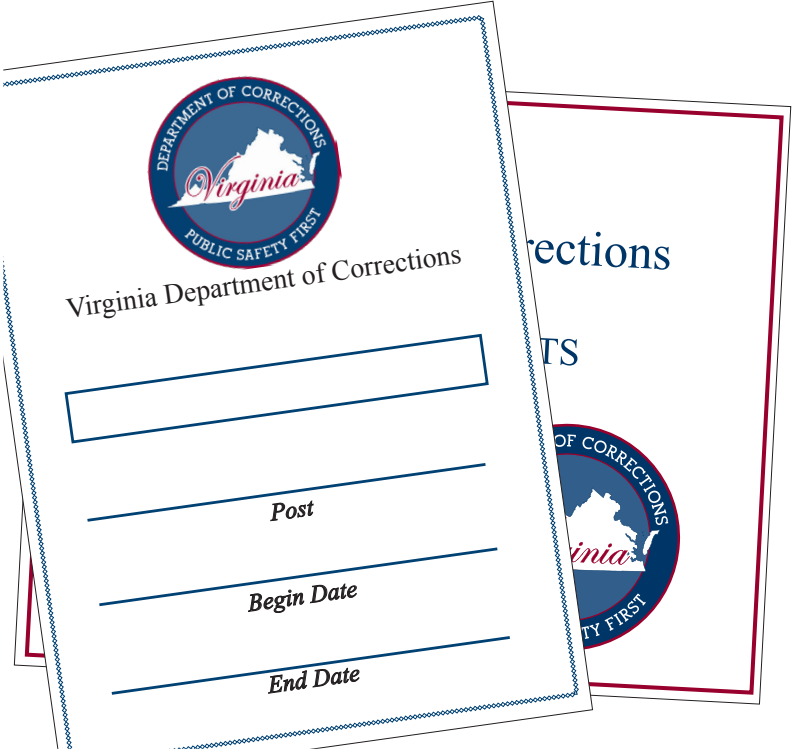

From simple forms to high-impact marketing materials, VCE is your trusted partner for quality printing, innovative solutions, and outstanding customer service.
