# Workforce Development

## About Us

Virginia Correctional Enterprises is a self-supporting agency established by the Virginia General Assembly over 85 years ago to employ and train inmates in the Virginia Department of Corrections. VCE's job-training programs help Virginia to post among the lowest reincarceration rates in the country.

VCE products are constructed with pride and established industry certifications and standards.

VCE's mission is to strengthen future employment opportunities and marketable skills for inmate workers through on-the-job training and work development programs, supported by the production and delivery of quality products and services to our customers. VCE workforce development programs are voluntary, inmate workers apply, interview and are accepted into a program based on a predetermined set of criteria for each program.

## Preparing for a Successful Reentry

VCE Workforce Development employs strategies to improve the inmate workers' productivity in the workplace and provide the necessary skills to secure meaningful employment in the private sector upon their release from custody. VCE's workforce development programs focus on the inmate workers' ability to grow their skills and develop the tools needed for future success.

Program participants receive soft skills training through their participation in on-the-job training and classroom instruction, teaching them how to excel at communication, teamwork, time management, accountability, and lean practices.

Inmate workers learn specialized skills for modern industries, from powered industrial truck operations to AutoCAD to maintenance and sanitation solutions. This training is delivered in the form of Registered Apprenticeships, industry/vendor certification programs and workforce development programs.

## VCE ENVISION LINE COMPONENTS

All Hardware comes in Silver or Black. Locks will match hardware color selection.  
Grommets come in Gray or Black.

## **Worksurfaces**

- Worksurfaces are 1-1/8" finished high pressure laminate
- Worksurfaces are 3mm edgebanded on all sides

## **Side Panels**

- Side panels are 3/4", finished on both sides with thermofused laminate
- Side Panels are edged with 3mm edgebanding on bottom and sides
- The floor levelers are adjustable allowing 1" height adjustment

## **Back Panels**

- 3/4" thick thermofused laminate

## **Pedestals and Drawers**

- Drawer fronts are 3/4" thick thermofused laminate
- Drawer fronts have 3mm thick edge banding on all sides
- Interior drawer construction from birch plywood
- Pedestal drawers open with arch stainless steel pull, located on center
- Lateral file drawers, open with two front arch stainless steel pulls
- Box drawers, File drawers, and Lateral file drawers, have impact resistance/soft closing slides
- Pedestal file drawers are standard with file support rails, accepting letter hanging files, filing from side to side. For front to back filing, additional file bars are available
- Lateral file drawers are standard with file support rails, accepting letter or legal hanging files, allowing front to back or side to side filing
- Lateral file drawers have interlocking safety system allowing only one drawer to be opened at a time, standard on all models
- Box drawers and file drawers are 20" (500mm) deep

## **Lock Specifications**

- Locks are available in silver or black finish
- Lock core can be changed allowing multiple units to be keyed alike
- One lock is standard on Box/Box/File pedestals, File/File pedestals, and Lateral files

## **Finishes / Color Specifications**

- Unit color may be ordered in any of the 10 finishes or two-tone
- Worksurface/drawer/door fronts can be ordered as black, white, or matching the base color of the unit

## **Hutch and Cabinet Doors**

- Are available in all finishes with locks
- An aluminum framed frosted acrylic door is only available without locks
- Standard soft closing hardware included

## **Hardware Colors**

- Pulls are available in silver or black
- Metal legs on desks are available in silver or black
- Hutch stanchions are available in silver or black
- Locks will match the hardware color selection

## **Grommets**

- Grommets have a diameter of 2-3/8". Available in gray or black
