VCE ACADEMY SLED DESK
Order # VCE-Desk-06-0174
PFN #

The VCE Academy Sled Desk transforms classroom furniture from a basic necessity, into a strategic investment, helping institutions maximize space, improve flexibility, and increase the potential value of every classroom.

KEY FEATURES

- Durable, all-welded steel frame with powder coat finish
- Comfortable molded seat with back support
- Hardwood or laminate writing surface
- Compact design for space efficiency
- Available in multiple colors and configurations

Traditional seating limits classroom configurations, workspace, and seating efficiency. The VCE Academy Sled Desk provides a more flexible, space conscious design that supports lectures, group work, testing, and other classroom activities.

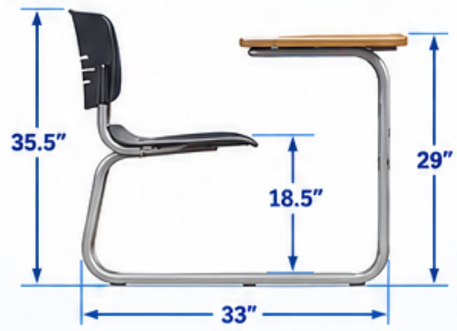

FLEXIBLE LAYOUTS
Easily adapts to lectures, group work, testing and more.

SPACE EFFICIENT
More seating, better flow, less clutter.

BUILT TO LAST
Commercial-grade construction for long-term use.

STUDENT FOCUSED
Comfortable, functional, and designed for today's learning environments.

DIMENSIONS & SPECIFICATIONS

The dimensions seen above are the side view dimensions for the VCE Academy Sled Desk. Each desk frame is 19" wide and can fit easily into a classroom to maximize the density desired by your institution.

TUITION & REVENUE IMPACT

For Virginia in-state undergraduate students at public colleges and universities, average tuition for 2025 to 2026 are approximately **$14,846** per year, or about **$1,485** per class.

Adding six seats to a classroom could represent a projected **$8,910** in additional tuition revenue per semester:
$1,485 × 6 additional seats = $8,910

MORE SEATS. MORE OPPORTUNITY. MORE VALUE.
