COMFORT. SUPPORT.

W XO chairs design and construction incorporates ergonomic principles and technologies. It sports a refined sleek profile with distinctive comfort and support. Great for healthcare environments.

features

A. ABLEX™ MESH

Allows air to pass freely and moves with you, providing dynamic comfort in all environments.

B. LUMBAR SUPPORT

The contoured back frame with Ablex™ mesh provides dynamic lumbar support, promoting healthy posture.

C. ADJUSTABLE ARMRESTS

Easy to use height and width adjustable arms with lockable, pivoting polyurethane arm pads.

D. ENERSORB™ SEAT

Enersorb foam disperses your weight and conforms to your body to improve blood circulation and relieve pressure points (Standard with UFST/UF models).

E. TORGLIDER™

An intelligent, synchronous, balanced recline mechanism automatically provides the right amount of support through the full range of recline motion, regardless of size and weight.

F. ADJUSTMENT MECHANISM

Two position tilt lock adjustment and pneumatic height adjustment.

G. WATERFALL SEAT

Waterfall seat design that gently slopes away from the legs, minimizing pressure on the thighs and promoting good posture.

H. BASE AND CASTERS

5-prong, heavy-duty polished aluminum base with standard 2" carpet casters.
