About VCE

Empowering Virginia — At No Cost to Taxpayers

Virginia Correctional Enterprises runs as a self-sustaining program under the Virginia Department of Corrections, delivering high-quality goods and services while receiving no state funding. Every dollar spent with VCE goes right into bolstering operations, workforce development, and community impact.

Our Mission & Impact

For over 85 years, VCE has transformed lives and strengthened communities by:

- Providing incarcerated individuals with job skills, work ethic, and credentials to succeed post-release.
- Supporting Virginia's economy through wages, local procurement, and reduced incarceration costs.
- Helping to maintain one of the lowest recidivism rates in the nation, thanks to proven training programs.

Through this mission, VCE bridges two critical goals: fulfilling procurement needs for Virginia's public and nonprofit institutions and giving returning citizens a practical path to stability and employment.

Customer Benefits: Why Virginia Agencies & Institutions Partner with VCE

When you choose VCE, you don't just get a vendor, you gain a strategic partner with built-in advantages:

- Streamlined procurement — No need to navigate additional bidding processes.
- Full-service delivery — From design to installation, we manage every step.
- No SWaM penalty — Purchases from VCE *do not count against* agency SWaM goals.
- Assured quality — All products are built to industry standards and certifications.
- Positive social impact — Every dollar supports recidivism reduction and workforce development.

Who We Serve

VCE may sell to:

- Virginia state agencies, departments, and authorities
- Virginia universities, colleges, and community colleges
- Virginia K–12 public school systems
- Virginia municipalities, counties, and first-responder agencies
- Virginia state hospitals, museums, and non-profit organizations

6200Dti	Mid Back Task Intensive with Headrest	27" - 29.5"	27"- 29.5"	47.5"- 55"	16"-21"	86 lbs

6200ti

6200Dti

FEATURES

**RATED FOR
350lbs**

Model: 6200Dti

A. ADJUSTABLE HEADREST

Easily adjust height and tilt for optimal neck/back support. (Model 6200Dti)

B. WATERFALL SEAT

Waterfall seat design gently slopes away from the legs, minimizing pressure on the thighs and promoting good posture.

C. LUMBAR SUPPORT

Compound curved back and built-in lumbar support provides the user with exceptional ergonomic support and comfort. Static lumbar support of 5.5" - 20".

D. ADJUSTABLE ARMS

Height and width adjustable arms with dense polyurethane arm pad for durability.

E. SOLID BUILD

Steel reinforced seat and back support, oversized cast aluminum base with 3" dual wheel carpet casters and heavy duty pneumatic lift.

F. MECHANISM

Swivel-tilt mechanism with infinity position tilt lock, seat depth adjustment, pneumatic height adjustment and tension control.

G. COMFORT

High density, high resiliency, dual density foam with ENERSORB™ seat topper.

CXO HD Speciality Chair

Still the most comfortable chair in the world, but engineered with greater strength and durability for weight demand up to 450 lbs.

DIMENSIONS

Model	Description	Overall Width	Overall Depth	Overall Height	Seat Height	Weight
6200hd	Mid Back Heavy Duty	27" - 29.5"	27" - 29.5"	36.5" - 41.5"	17.5" - 22"	95 lbs
6200Dhd	Mid Back Heavy Duty with Headrest	27" - 29.5"	27" - 29.5"	47.5" - 55"	17.5" - 22"	98 lbs

CXO HD Speciality Chair

FEATURES

RATED FOR
450lbs

Model: 6200Dhd

A. ADJUSTABLE HEADREST

Optional headrest with Enersorb™ foam adjusts up/down and pivots backwards with an innovative coat hook built into it's design. Headrest is field installable. (Model 6200D HD)

B. MESH BACK

Mesh back with ABLEX™ patterned weave provides generous lumbar support while allowing dynamic movement. Air flows freely through this breathable mesh for added comfort in any environment.

C. LUMBAR SUPPORT

The contoured lumbar support pad with Enersorb™ foam can be easily adjusted up and down and in and out for personalized support and comfort. (4" vertical range and 2" depth range to increase/decrease support)

D. HEIGHT/WIDTH ADJUSTABLE ARMS

Easy to use adjustable arms with lockable vertical and horizontal movements for individual comfort.

E. ENERSORB™

Enersorb™ seat, lumbar and headrest foam disperses applied pressure evenly to reduce pressure points.

F. MECHANISM

Slow release synchronous knee tilt mechanism, complete with intuitive side tension control, infinite position tilt lock, height adjustment pneumatic lift and an intuitive integrated seat slider for depth adjustment.

OVERTIME Speciality Chair

Fits any budget and looks good doing it, for three shifts a day, making it just right for a busy 24-hour environment.

At Virginia Correctional Enterprises, our mission is built on purposeful craftsmanship, meaningful workforce development, and delivering dependable products that serve Virginia's workplaces. Nightingale seating solutions naturally complement that mission. Their commitment to ergonomic design, long-term durability, and responsible manufacturing aligns with VCE's focus on creating value through skilled training and quality production.

Together, VCE and Nightingale bring forward solutions that support both the people who use them and the people who help create them. It's a collaboration rooted in shared standards, shared integrity, and a shared belief that thoughtfully made products can strengthen our communities.

Thank you for choosing solutions that make a difference—both in the workplace and beyond.
